Respectfully submitted,

WESLEY WENTWORTH, Treasurer.

We certify that we have examined the foregoing accounts and find them correctly classified and computed. We would respectfully suggest that the sums raised last year were all sufficient for their purposes except that for town charges, which we believe should be two hundred dollars more, and that for paupers, which should be one hundred dollars more. With equally good success for a few years more the town may be free from debt. The interest on the debt is nearly all at 4 1-2 per cent interest.

March 1st, 1882.
